- Leadership Skills.
- Microsoft Office Package.
- Microsoft Dynamic AX.

Recommendation

Eng. Ibrahim Assiri

Vice chief of Technical Department

00966504495508

Education

2015 Bachelor of Chemical Engineering

Jazan University

Graduation Project

Designing a parabolic trough for the treatment of simulated dye house effluent, by solar homo and heterogeneous Photo Catalytic Oxidation

Courses

2018 Aspen HYSYS, Madinah Institution Education.

2018 Quality Management Systems Requirements - IS 9001.
Adwan Chemical Industries Co. Ltd.

2017 The Safety and Health Course According to OSHA standard, Knowledge Gate Training Center, Riyadh.

2017 General Industry Safety, International Association Safety Professionals ECSI.

2017 First Aid and Adult, Child and Infant CPR,
Emergency Care & Safety Institute.

2015 Operational Excellence Management System OEMS,
Gulf convention center.

Achievements

- Preparing of the production plan for three factories.
- Minimizing of production costs to the lowest limit.
- Internal Audit.
- Planning and organization warehouses and storage procedures.
- Assuring Environmental Safety when dealing with industrial disposals.
- Activating HSE principles.

Exhibitions

2019 International Invention, Innovation and technology
Exhibition, Malaysia

2018ACHEMA- World Forum and Leading Show for the Process
Industries
