Fawaz Mashi

Riyadh, Saudi Arabia

Summary

I really enjoy learning new things and find that it's easy for me to pick up on required skills. I'm driven to complete a task, no matter how difficult. I truly enjoy excelling and pushing myself. I look forward to tasks where I can learn and grow. Experienced Operations Manager with a demonstrated history of working in the food production industry. I recruited and trained the team for the preparing and packaging the meat then the delivery to the consumer. Skilled in Data Analytics, Microsoft Office, Business Management, Java, PHP, C++and Database. Strong operations professional with a Bachelor of Science - BS focused in Computer Science from University of Indianapolis.
