Experience

Jun 2019 – Until Now — **Oracle ERP HCM Project Manager at King Abdullah Financial District (KAFD).**

In this period, I'm working as a project manager on project of Oracle ERP HCM modules.

Key Responsibilities:
- Start up a new Oracle HCM project.
- Primary responsible for **EBS HCM** modules (Core HR, Payroll, Performance Management, Self-Service Human Resources) functionally.
- Heavily use of Oracle EBS security profiles, functions, menus and responsibilities.
- Maintain senior level expertise and accuracy in industry leading information management technologies.
- Supervise knowledge transfer to / among consultants in his track.
- Provide technical architecture analysis, design, development, and enhancement.

Jun 2016 – May 2019 — **Oracle ERP HCM Project Manager at Saudi Food and Drug Authority (SFDA).**

In this period, I worked as a project manager on project of Oracle ERP HCM modules.

Key Responsibilities:
- Primary responsible for **EBS HCM** modules (Core HR, Payroll, OLM, Self-Service Human Resources) functionally and **Applaud** mobile application.
- Heavily use of Oracle EBS security profiles, functions, menus and responsibilities.
- Maintain senior level expertise and accuracy in industry leading information management technologies.
- Supervise knowledge transfer to / among consultants in his track.

Jun 2013 – May 2016 — **Programmer Analyst at Saudi Food and Drug Authority (SFDA).**

In this period, I worked as project coordination besides being an analyst.

Dec 2012 – May 2013 — **Programmer at Arabic Computer Systems (ACS).**

At the beginning of my work career I worked as a data systems analyst and report coordinator on projects of Electronic Billing System of Water (system for Ministry of Water and Electricity).

Summer of 2012 — Coop Training at King Abdulaziz City for Science and Technology (KACST) for 2 months.

Major Projects
